

HOW TO VERIFY FSCA LICENSE

We are committed to full compliance with South African financial regulations, including the requirements set by the Financial Sector Conduct Authority (FSCA). As part of this commitment, our company is officially licensed by the FSCA to provide financial services.

You can independently verify our license using the FSCA's official online search tool.

How to check the TFOS FSCA License

1. Visit the official FSCA Financial Service Provider (FSP) Search page:

https://www2.fsca.co.za/Fais/Search_FSP.htm

2. In the search bar, enter our FSP License Number: **52874**

3. Click **"Submit"** to view our registration details.

How to View Our Approved Financial Product Categories

Once you've opened our FSCA profile (after entering license number 52874):

1. Click **"Details"** near the company name

2. Scroll to the section labeled **"Products Approved"**.

3. Here, you will find a detailed list of the product categories we are authorised to provide under the FAIS Act which include (but are not limited) to advice and intermediary services.

This section confirms the scope of our license and ensures transparency about the services we are legally permitted to offer.

CASP Licensing

TFOS also holds a Crypto Asset Service Provider (CASP) License from the FSCA which is linked our FSP license (52874). This demonstrates that we meet the fit and proper requirements under FAIS and are legally authorised to render financial services in relation to crypto assets.
